Vision

To be the ultimate destination for education, training and research in pharmaceutical sciences and allied areas and thereby, cater to the health needs of the people at large.

To develop core competency in pharmaceutical sector and contribute in building leaders, administrators and personnel who can take up responsibilities as pharmaceutical science professionals, appropriate for community, institutions and industries on health and management related fields.

Mission

Objectives

To have a comprehensive, multi-disciplinary institute for learning and research with holistic approach in pharmaceutical and allied sciences.

To provide infrastructure and research facilities for the dissemination of the advanced knowledge to the students in various branches of pharmaceutical sciences through innovative teaching-learning processes with inter-disciplinary approach such that they propagate their wisdom to acquire all kinds of knowledge and generate new ideas.

To educate and train manpower for the development of the country and establish linkages with industries for the promotion of science and technology through several health-related courses.

To cultivate the spirit of embracing internationalism / diversity and competitiveness / competition amongst students such that novel and creative ideas are harnessed, leading to unique discoveries and inventions, for the advantage of society at large.

QUALITY POLICY

CURRICULAR DESIGNING

Unique Courses with Global Thinking & Local Needs.

TEACHING LEARNING PROCESS

Pedagogy with Participative Learning.

RESEARCH & INNOVATION

Research Excellence with Innovation & Incubation

INFRASTRUCTURE

Ambience for Rigorous Learning.

STUDENT PROGRESSION

Encaging the Dreams by Job Creation.

GOVERNANCE

Leadership without Power & Power without Hierarchy.

BEST PRACTICES

Integration of Yoga, Sports & Physiotherapy education for holistic development.

REACHING THE COMMUNITY

for Health Awareness.

CENTER OF EXCELLENCE

for upskilling and empowering stakeholders

MESSAGE FROM THE DESK OF HON'BLE VICE CHANCELLOR

Dear Aspiring Students,

It gives me immense pleasure to invite you to be a part of Delhi Pharmaceutical Sciences and Research University (DPSRU), a pioneering institution dedicated to excellence in pharmaceutical and allied health sciences education. Established in 2015, DPSRU is the first and only Pharmacy University in India and among the very few globally dedicated exclusively to this domain.

Over the past decade, DPSRU has emerged as a centre of academic distinction and innovation. Our accomplishments reflect this commitment—an 'A' Grade accreditation by NAAC in the first cycle, securing the 19th rank in the Pharmacy category in NIRF 2025, and ranking 6th among the government pharmacy institutions in India by the IIRF 2025, reflecting the academic rigor, research output, and holistic development. DPSRU has been recognized under Section 12(B) of UGC Act 1956, facilitating greater opportunities for research funding and national collaborations. As part of the ANRF initiative, the university has received funding for research in pharmaceutical sciences

Aligned with the vision of the National Education Policy (NEP) 2020, we promote interdisciplinary, research-driven, and outcome-oriented education. The University currently nurtures around 2,600 learners, offering over 40 programmes, including 8 doctoral, 24 postgraduate, 7 undergraduate, and 4 diploma courses across diverse domains such as Pharmacy, Physiotherapy, Public Health, Hospital and Health Management, Artificial Intelligence, Sports Science, and Ayurveda.

Our strength lies in our exceptional faculty and research ecosystem. We take pride in the fact that 9 of our faculty members are ranked among the top 2% scientists globally by Stanford University, reflecting the global relevance and impact of research at DPSRU. DPSRU has established more than 35 national and international collaborations, extending our global footprint across countries such as the UK, Malaysia, China, Thailand, Portugal, and the Philippines. These partnerships provide our students with exposure to international research practices and global career opportunities. The University is supported by collaborations with leading national agencies such as IPC, DBT, DST, CSIR, ICSSR, AYUSH, NMPB, CCRUM, and DSIR, creating a robust environment for scientific advancement.

Innovation and entrepreneurship are at the core of our academic philosophy. The DPSRU Innovation & Incubation Foundation (DIIF) has created a thriving platform for student start-ups and research ventures, earning the prestigious National Start-up Award. Our students achieved the top five prizes at Delhi AI Grind. They continue to shine on national platforms — 58 students qualifying GPAT in 2025, and many students achieved awards in scientific, cultural and sports competitions.

At DPSRU, we are committed to nurturing not only skilled professionals but also socially responsible individuals. Our focus on holistic development encourages students to excel in academics, technical training and up-skilling, innovation, sports, and cultural activities while upholding ethical values and leadership qualities. As you take this important step towards shaping your future, I invite you to join an institution that fosters excellence, innovation, nurturing capabilities and purpose. DPSRU offers a dynamic platform where knowledge meets opportunity and aspirations are transformed into achievements.

I warmly welcome you to the DPSRU community and wish you success in your academic and professional journey.

With best wishes,
Prof. Ravichandiran V.

FROM THE DESK OF REGISTRAR

Dear Aspiring Students,

It is with great pride and pleasure that I welcome you to Delhi Pharmaceutical Sciences and Research University (DPSRU), a distinguished institution where academic excellence is harmoniously blended with innovation, research, and a deep sense of societal responsibility. At DPSRU, education goes beyond the classroom, shaping individuals into competent professionals and responsible citizens committed to contributing meaningfully to society. DPSRU has been recognized under Section 12(B) of the UGC Act, 1956, enabling enhanced opportunities for research funding and national collaborations.

While we take pride in our academic rigor and research accomplishments, our engagement with the community remains equally significant. Through national initiatives such as Ek Bharat Shreshtha Bharat, Unnat Bharat Abhiyan, and the National Service Scheme (NSS), the University actively promotes social awareness and public welfare. Our students have actively participated in platforms such as the Smart Delhi Ideathon 2025, where they presented innovative ideas for building a smarter and healthier city. Events like Ashwafest 2025 have showcased the cultural and athletic talents of our students, while initiatives such as Fit India Week and “Art of Happiness” workshops emphasize our focus on holistic well-being.

Furthermore, our Future Fest 2026 witnessed participation from leading pharmaceutical companies, resulting in promising placement opportunities for our students. We remain dedicated to ensuring that every graduate of DPSRU leaves with not only a degree but also professional competence, ethical values, and a clear vision for the future.

DPSRU aligns its vision with the national goal of Viksit Bharat 2047, contributing to India's journey toward becoming a developed nation. We strive to achieve this by nurturing skilled professionals, encouraging innovative thinking, and advancing cutting-edge research in pharmaceutical sciences and healthcare. In line with the vision of Atmanirbhar Bharat, the University promotes a culture of self-reliance, entrepreneurship, and indigenous innovation. Our vibrant research environment and incubation initiatives support the development of world-class healthcare solutions within the country. Our students and faculty are empowered to emerge as innovators, leaders, and contributors to national progress.

The University continues to grow under the dynamic and visionary leadership of our Vice-Chancellor, Prof. (Dr.) Ravichandran V., whose dedication to academic excellence and institutional development has propelled DPSRU to new heights. His forward-looking approach fosters an inclusive, progressive, and innovation-driven culture within the University.

To all new students, I extend a warm welcome. You are entering an institution that is not merely a place of learning but a vibrant community driven by purpose and ambition. With access to state-of-the-art infrastructure, experienced faculty, and a stimulating academic environment, you will gain not only knowledge but also the skills, values, and confidence required to excel in your chosen fields. I extend my heartfelt best wishes to each one of you as you embark on this exciting academic journey. Join DPSRU and take a confident step toward a fulfilling career in healthcare, research, and innovation.

Thank you.
Jai Hind

Dr. R. C. Khatri

MILESTONES

Established M. Sc. Sports Nutrition Course	2026
Established M. Sc. Clinical Research Course, Recognition of University under Section 12B of the UGC Act 1956, Received ANRF-PAIR Grant	2025
Allotment of Land for Development of second Campus at Narela Sub-City. NAAC 'A' Grade Accredited	2024
Establishment of G20 Medicinal Garden	2023
Induction of B. Sc. (Hons.) Biomedical Science, MPT Cardiovascular & Pulmonary, MPT Pediatrics, & Certificate Courses; Establishment of DST-FIST Dermal Technology Facility	2022
Induction of New courses: Executive M. Pharm DRS, BBA- Healthcare; B. Pharm. (Ayu), M.Sc. (Artificial Intelligence & Precision Medicine), BMLT & DMLT	2021
Establishment of DPSRU-DSIR-CRTDH Centre for Advanced Formulation Technology & Precision Medicine & Pharmacy Centre.	2021
New Courses: PG Diploma in Clinical Research, MPT Sports Physiotherapy	2020
Induction of WCSC Certificate Courses	2019
Established BIRAC funded DIIF-BioNEST Facility	2018
Establishment of DPSRU Innovation & Incubation Foundation (DIIF); Started M. Pharm. in Biotechnology, Cosmeceutics, IP, Pharm Analysis & B. Sc. Sports Science	2017
Induction B. Pharm., M. Pharm. (8 Subjects), MBA, MPH, MHM & Certificate course in Yoga	2016
Induction of Additional Courses in Pharmacy & Establishment of Physiotherapy Courses	2015
Enacted as Delhi Pharmaceutical Sciences and Research University (DPSRU) on 11 th September	2008
Upgraded to Delhi Institute of Pharmaceutical Science and Research (DIPSAR)	2004
Moved to the present location at PushpVihar	1979
Upgraded to college of Pharmacy and transferred to PUSA Polytechnic building under Delhi University with induction of B. Pharm.	1972
Founded as Department of Pharmacy with a Diploma in Pharmacy Course at Kashmiri Gate Polytechnic	1964

SCHOOLS

Delhi Institute of Pharmaceutical Sciences and Research (DIPSAR)

School of Pharmaceutical Sciences (SPS)

School of Physiotherapy (SoP)

School of Allied Health Sciences & Management (SAHSM)

DPSRU Innovation and Incubation Foundation (DIIF)

Academy of Sports Sciences and Research Management (ASSRM)

Yoga & Fitness Centre

RESEARCH FACILITIES

Center of Precision Medicine & Pharmacy

DSIR-DPSRU-CRTDH Center for Advanced Formulation Technology (CAFT)

BIRAC Bio Nest Centre

DST-FIST Dermal Technology Facility

Precision Nutrition & Plant Tissue Culture Lab

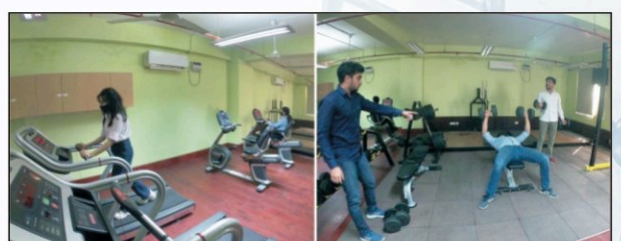

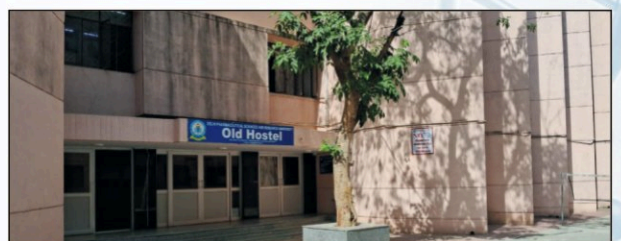

Central Instrumental Lab

CAMPUS FACILITIES

-  10.36 Acres Land Area
-  Central Instrumentation Facility
-  Multimedia Enabled Classes
-  Functional Library with Credential Resources
-  State-of-art Research Labs
-  Physiotherapy OPD
-  Central Animal House Facility
-  Pediatric Physiotherapy
-  Cardiovascular Pulmonary Simulation ICU
-  Sports Biomechanics and Kinesiology Lab
-  Incubation Center
-  Rain Water Harvesting
-  Museum
-  Auditorium
-  Guest House
-  Staff Quarters
-  Gymnasium
-  SBI ATM
-  Food Court (Canteen)
-  Mother Dairy Booth
-  Sports complex
-  Student section
-  Hostel for boys and girls
-  DTC Bus stop
-  Upcoming metro station

PROGRAMS OFFERED

PROGRAMS IN PHARMACEUTICAL SCIENCES

- D. Pharm.
- B. Pharm.
- B. Pharm. Ayurveda
- B. Pharm. (Lateral entry)
- M. Pharm. Pharmaceutical Chemistry
- M. Pharm. Pharmaceutics
- M. Pharm. Pharmacology
- M. Pharm. Pharmacognosy & Phytochemistry
- M. Pharm. Quality Assurance
- M. Pharm. Drug Regulatory Affairs
- M. Pharm. Industrial Pharmacy
- M. Pharm. Pharmaceutical Analysis
- M. Pharm. Pharmaceutical Biotechnology

PROGRAMS IN MANAGEMENT

- BBA-HealthCare
- MBA-Pharmaceutical Management (MBA-PM)
- MBA-Healthcare & Hospital Management (MBA-HHM)
- MBA-International Trade Management (MBA-ITM)
- Master's in public health (MPH)

PROGRAMS IN ALLIED HEALTH SCIENCES MEDICAL LABORATORY AND LIFE SCIENCES

- DMLT
- BMLS
- B. Sc. (Hons.) Bio-medical Science
- M. Sc. Artificial Intelligence in Medicine
- M. Sc. in Clinical Research

PROGRAMS IN PHYSIOTHERAPY

- BPT
- MPT in Sports Sciences
- MPT in Cardio-Pulmonary Sciences
- MPT in Pediatrics and Neonatal Sciences

ACADEMY OF SPORTS SCIENCES RESEARCH AND MANAGEMENT (ASSRM)

- B. Sc. (Hons.) Sports Science
- M. Sc. Sports Nutrition

PG DIPLOMA COURSES

- DPSRU-Apollo Hospitals Educational and Research Foundation (AHERF) PG Diploma in Clinical Research (PGDCR)
- DPSRU-Sir Ganga Ram Hospital (SGRH) PG Diploma in Clinical Research and Regulation (PGDCR&R)

*Additional seats will be available, if there is vacancy due to drop out of the candidate in B. Pharm. 1st or 2nd Semester. The announcement of additional number of these seats shall be declared on or before the display of merit list of LE candidates which shall be final and binding. Reservation will be exactly as per the category in which vacancy has occurred.

\$There shall be 10% of total seats for each course under EWS reservation seats. This will be in addition to the total approved intake (\$i.e., supernumerary).

Note:

- OBC category reservation exists based on Govt. of NCT of Delhi for Delhi Category students. OBC reservations for Non-Delhi candidates is as per reservation policy of Govt. of India. The OBC certificate must be accompanied by valid non-creamy layer certificate.
- In case of unavailability of candidate for Defence category, the seats to be filled by General Category Candidates of Delhi category.
- **Outside Delhi Region :** Students passing from schools/Institutes located outside the National Capital Territory of Delhi i.e. Ghaziabad, Gurugram, Faridabad, Noida etc. do not fall under NCT of Delhi.

PHARMACEUTICAL SCIENCES (DIPSAR & SPS)

DIPLOMA & UG PROGRAMS

DIPLOMA IN PHARMACY / BACHELOR OF PHARMACY / BACHELOR OF PHARMACY (AYURVEDA)

Programs	School	Duration	Intake
D. Pharm.	DIPSAR	2 year (+500 h Internship)	120
B. Pharm.	DIPSAR	8 semesters	100
B. Pharm.	SPS	8 semesters	60
B. Pharm. (Ayurveda)	SPS	8 semesters	40
B. Pharm. Lateral Entry	DIPSAR	6 semesters	10
B. Pharm. Lateral Entry	SPS	6 semesters	6

ELIGIBILITY CRITERIA:

A candidate seeking admission to First Semester of above mentioned courses must have passed:

Senior School Certificate Examination of the Central Board of Secondary Education, New Delhi (12 year Course) or the Indian School Examination with English as one of the subjects and Physics, Chemistry, Mathematics (P.C.M) and/or Biology (P.C.B. / P.C.M.B) as optional subjects with 55% or above marks* in aggregate (theory and practical) and individually in three science subjects (Physics, Chemistry, Biology or Mathematics) from Recognized School in the National Capital Territory of Delhi.

OR

10+2 examination conducted by the respective state / central government authorities recognized as equivalent to 10+2 examination by the Association of Indian Universities (AIU) with English as one of the subjects and Physics, Chemistry, Mathematics (P.C.M) and/or Biology (P.C.B. / P.C.M.B) as optional subjects with 55% or above marks in aggregate (theory and practical) and individually in three science subjects (Physics, Chemistry, Biology or Mathematics).

OR

Any other equivalent qualification including National Institute of Open Schooling approved by the Pharmacy Council of India as equivalent to any of the above examinations.

OR

Intermediate examination in science from Indian Universities with English as one of the subjects and Physics, Chemistry, Mathematics (P.C.M) and/or Biology (P.C.B. / P.C.M.B) as optional subjects with 55% or above marks* in aggregate (theory and practical) and individually in three science subjects (Physics, Chemistry, Biology or Mathematics).

- Candidates who have been awarded grades in the examination which make them eligible for admission should submit conversion certificate of numerical marks from the concerned authority. Provided that a student should have completed 17 years of age on or before 31st December 2026.

*A 5% relaxation will be given to SC/ST/OBC/Persons with Disability (PwD) candidates seeking admission.

BASIS OF SELECTION

The merit list of candidates seeking admission to D. Pharm. / B. Pharm. / B. Pharm. (Ayu.) will be prepared on the basis of aggregate of three subjects (theory and practical taken together) Physics, Chemistry and Biology / Mathematics of 12th Standard only. If candidate has taken both biology and mathematics, the best out of two will be considered for third subject after Physics and Chemistry.

NOTE:

- a) The candidate having supplementary/ compartment in the qualifying examination shall not be eligible for admission in the University teaching department.
- b) Migration of students will be governed by the Rules and Regulations of DPSRU, New Delhi.

B. PHARM. LATERAL ENTRY

ELIGIBILITY CRITERIA:

- A candidate seeking admission to B. Pharm. Lateral Entry (to Second Year / Third semester) must have passed D. Pharm course as per PCI norms
- 85% seats will be reserved for those who have passed D. Pharm from NCT of Delhi, 15% seats will be open to other institutes from outside Delhi from an institution approved by the Pharmacy Council of India under section 12 of the Pharmacy Act as per regulation 4.B of the Bachelor of Pharmacy course Regulations, 2014.

The merit list will be prepared on the basis of 1st and 2nd year of D. Pharm. marks.

PG PROGRAMS

MASTER OF PHARMACY (M. PHARM.)

Programs	School	Duration	Intake
Quality Assurance	DIPSAR	4 semesters	12
Pharmaceutical Chemistry	DIPSAR	4 semesters	8
Pharmaceutics	DIPSAR	4 semesters	8
Pharmacology	DIPSAR	4 semesters	8

Industrial Pharmacy	SPS	4 semesters	9
Drug Regulatory Affairs	SPS	4 semesters	15
Pharmaceutical Analysis	SPS	4 semesters	9
Pharmaceutical Biotechnology	SPS	4 semesters	15

ELIGIBILITY CRITERIA:

A candidate seeking admission to First Semester must have passed:

- B. Pharm. Degree examination from an Indian University established by law in India from an institution approved by Pharmacy Council of India and has scored not less than 55% of the maximum marks (Aggregate of II, III and IV yrs / or III to VIII semesters of B. Pharm)
 - As per notification of PCI, every student, selected for admission to post graduate pharmacy program in University (any PCI approved institution) should have obtained registration with the State Pharmacy Council or should apply for the registration of the same within one month from the date of his/ her admission, failing which the admission of the candidate shall be cancelled.
- It is mandatory to submit a migration certificate obtained from the respective University where the candidate had passed his/her qualifying degree
 - It is also mandatory to submit mark sheet (provisional mark sheet from the University permitted) at the time of submission of application

**A 5% relaxation will be given to SC/ST/OBC/Persons with Disability (PwD) candidates seeking admission.*

BASIS OF SELECTION

- The merit list will be prepared on the basis of GPAT/ entrance examination. The merit list of candidates for admission will be in accordance with the following criteria:

For GPAT qualified candidates: The merit list will be prepared on the basis of GPAT Rank / Score secured

For non-GPAT candidates: The merit list will be prepared on the basis of aggregate of marks obtained in II, III and IV yrs (or III to VIII semesters of B. Pharm.)

GPAT qualified candidates shall be considered for admission first

15% of the total seats will be filled by non-Delhi candidates (including from NCR of Delhi) with valid GPAT score / merit in qualifying examination and have completed B. Pharm. examination with 55% from PCI/AICTE recognized University/ Institute. Remaining 85% of the total seats will be filled by graduates passed out from Delhi Colleges / Universities with valid GPAT score / merit in qualifying examination in order of preference of disciplines.

- In case of more than one candidate with the same score, preference will be given to the candidate who is older in age.

DISPLAY OF MERIT LIST

The final merit list for all categories of M. Pharm. will be displayed on the Notice Board / Website of the University. Admission to various courses will be offered to the candidates strictly according to the order of merit given in the merit list.

Age Requirement: Candidates seeking admission to M. Pharm course must be more than 21 years of age on or before 31st December 2026.

M. SC. IN CLINICAL RESEARCH

PROGRAMS	SCHOOL	DURATION	INTAKE
M.Sc. Clinical Research	DIPSAR	4 semesters	8

Course Fee: Total INR 1,50,000/- (Inclusive of 18% GST)

Referral Program:

Students/Alumni or referees under this program may refer/direct potential candidates for the 12 months PGDCR Course and each of the Students/Alumni or referees will earn the referral amount of Rs. 5,000/- (Rupees Five Thousand only) payable after 3 months of commencement of the course.

DPSRU-Sir Ganga Ram Hospital (SGRH) PG Diploma in Clinical Research and Regulation (PGDCR&R)

PROGRAMS	SCHOOL	DURATION	INTAKE
PGDCR&R	Sir Ganga Ram Hospital (SGRH), New Delhi	1 year (Two semesters, each of 6 months)	30 Batch

ADMISSION PROCEDURE:

Admission is based on performance in a written entrance examination or by a personal interview jointly conducted by DPSRU and SGRH. Final selection is subject to verification of documents and fulfilment of eligibility criteria.

ELIGIBILITY CRITERIA:

- Bachelor's degree in Health Sciences (e.g., Medicine, Dentistry, Pharmacy, Nursing, Ayurveda, Homeopathy, Unani) or Life Sciences (e.g., Biotechnology, Botany, Zoology, Biochemistry, Microbiology, Toxicology) with at least 50% aggregate marks (45% for SC/ST/OBC).
- Postgraduates in relevant disciplines are also eligible

Course commencement: June 2026

Registration Fee: Rs. 590/-

Course Fee: 1,50,000 (Includes tuition, academic materials, and access to workshops/seminars)

Evaluation and Certification

- Students must obtain at least 50% marks in each subject to pass.
- Letter grade are awarded as per CGPA, with classifications from First Class to Third Division,
- Upon successful completion of the course, a PG Diploma will be awarded jointly by SGRH and DPSRU.

Course related queries could be addressed to E-mail: pgdcrr@sgrh.com ; Mob: +91-8527477056

DOCTOR OF PHILOSOPHY (Ph.D.)

The thrust areas of research at DPSRU include clinical research and pharmacological investigations, development of novel nano formulations, drug discovery through synthetic chemistry, computer aided drug designing, herbal drug research, analytical method development for pharmaceutical and herbal drugs, quality assurance, regulatory studies for new drugs, biotechnology, physiotherapy and public health.

DPSRU offers Ph.D. in Pharmaceutical Sciences (Pharmacology, Pharmaceutics, Industrial Pharmacy, Drug Regulatory Affairs, Pharmaceutical Chemistry, Pharmaceutical Analysis, Pharmacognosy and Phytochemistry, Pharmaceutical Biotechnology, Quality Assurance) Pharm. Management, Public Health, Physiotherapy, Sports Science and other allied subjects in the regular mode. Total no. of seats will depend on the number of vacant seats available with the supervisor and as advertised.

ELIGIBILITY FOR ADMISSION

- Master degree with at least 60% marks in aggregate in Pharmaceutical Sciences or Business Studies or Hospital Administration or Public Health or M. Phil or M.Sc. or in any allied subject.
- A relaxation of 5% in marks in eligibility condition will be applicable for SC/ST candidates for admission in Ph.D. programme.
- Students whose results are awaited may also apply, subject to the submission of original mark sheets for all semesters at the time of admission, fulfilling the prescribed eligibility criteria as per University ordinance.

PROCEDURE FOR ADMISSION TO Ph.D. PROGRAM IN DPSRU

- The application has to be submitted online with prescribed form and the admission processing fee Rs. 1000/- (One Thousand Only). The application has to be addressed to "The Registrar, Delhi Pharmaceutical Science and Research University, Pushp Vihar, Sector 3, MB Road, New Delhi-110017".
- Separate application form(s) shall be filled up for each subject.
- Admission to Ph. D. program shall be made in the following manner:

A) Admission of the candidates who have qualified NET/GATE/GPAT/SLET from the UGC/CSIR/DBT/DST/ASRB or ICGEB/SERB/DRDO/INMAS or any other statutory body of the Government or who have passed M.Phil. from a UGC recognized University, based on an interview. Based on the scores obtained in NET, the Ph.D. seats will be first offered to the candidates in the following order of preference

PROGRAMS	Eligible for		
	JRF	Assistant Professor	PhD Admission
Category-1: Award of JRF and appointment as Assistant Professor	Yes	Yes	Yes
Category-2: Appointment as Assistant Professor and admission to Ph.D	No	Yes	Yes
Category-3: Admission to Ph.D only	No	No	Yes

Note:

The admission of the candidates against JRF/NET/GATE/GPAT will be considered in the category in which they were issued certificate by UGC/other equivalent agencies or in their own category.

- Admission under JRF Category will be done as per UGC Notification dated 7th November, 2022 published in the Gazette of India: Extraordinary no. 544.
- The candidate who qualifies under category 1, will be admitted on the basis of interview only (30%)
- The candidate who qualifies in Categories 2 and 3, 70% weightage will be given for test scores & 30% weightage for the interview for admission to Ph.D. program.
- The Ph.D. seats will be first offered to the candidates (who are exempted from entrance test) in the following order of preference as per merit criteria mentioned below based on their performance in the interview.
- The interview shall be of 30 Marks (15 marks for domain knowledge, 15 marks for research aptitude).
- At the time of interview, the candidates are required to discuss their research interest/area through a presentation before a duly constituted Committee. The interview/viva voce shall also consider the following aspects:
 - a. the candidate possesses the competence for the proposed research
 - b. the research work can be suitably undertaken at the University
 - c. the proposed area of research can contribute to new/additional knowledge
- For Categories 2 and 3, candidates must secure a minimum of 50% marks in the combined score of the National Level Test and the interview. However, the candidate must obtain at least 50% marks in the interview separately to be eligible for consideration for admission, in Ph.D. The interview shall be of 30 Marks (15 marks for domain knowledge, 15 marks for research aptitude).

B) Through Entrance Test

If seats remain vacant after accommodating eligible candidates from the categories in the section A, the remaining applicants will be considered based on a merit mechanism, wherein admissions will be offered to the candidates as per a merit list prepared from the results of the entrance test and interview.

The procedure is as follows:

- The application will be scrutinized and successful candidates have to appear for the Entrance examination.
 - An Entrance Test shall be conducted with qualifying marks as 50%. The syllabus of the Entrance test shall consist of 50% of research methodology and 50% shall be subject specific. 70% weightage will be given for test scores obtained in entrance test and 30% weightage the interview for admission to Ph.D. program.
 - At the time of interview, the candidates are required to discuss their research interest/area through a presentation before a duly constituted Committee. The interview shall also consider the following aspects:
 - a. the candidate possesses the competence for the proposed research
 - b. the research work can be suitably undertaken at the University
 - c. the proposed area of research can contribute to new/additional knowledge
 - Further, candidates who secure a minimum of 50% marks in the combined score of the entrance examination and interview will be considered for Ph.D. admission, in order of merit.
 - Candidates must secure a minimum of 50% marks in the Interview to qualify for consideration for admission to the Ph.D. programme.
 - As per DPSRU first ordinance page 60-61, Para 7.4, "*The candidates, who have qualified for the entrance test, shall not have a right of enrolment for Ph.D. program. However, the scores will be valid for a period of two years from the publication of results of the Entrance test*" All the candidates appeared for entrance test are required to appear for interview. Candidates who wish to be considered for admission in subsequent academic year(s), within the validity period of their entrance test score, must submit a fresh application form for the respective admission cycle.
4. The successful candidates shall be enrolled for Ph.D. course work after an interview.

PRE-Ph.D. COURSE WORK

The enrolled candidates will have to undergo a pre-Ph.D. course work of one semester duration. At the end of pre-Ph.D. course, a pre-Ph.D. examination will be conducted. The final registration as a Ph.D. candidate will be subject to passing the pre-Ph.D. course exam, submission of the consent letter from the research guide and submission of a write up and presentation of the proposed research work. During the Ph.D., every candidate is required to show continuous progress of work to the supervisor and submit half yearly report to the Doctoral Student and Research Committee (DSRC) with the approval of supervisor. Further, the progress of Ph.D. research work is monitored by University Research Advisory Committees (URAC).

The Ph.D. degree will be awarded to the candidates who regularly present their work to the DSRC, have research and review publications in referred journal, submit their thesis and successfully defend it in front of the Ph.D. viva committee. A minimum of 4 DSRC meetings are conducted during Ph.D. The university checks to detect any plagiarism or any other forms of academic misconduct in the submitted thesis. After the submission of thesis, viva-voce examination is conducted to award the degree. The university has a provision to submit soft copy of Ph.D. thesis to UGC within a period of 30 days, for hosting the same on INFLIBNET, accessible to all Institutions / Universities.

DURATION OF PhD PROGRAM

- Ph.D. Program shall be for a minimum duration of three (3) years, including course work, and a maximum duration of six (6) years from the date of admission to the Ph.D. program.
- A maximum of an additional two (2) years can be given through a process of re-registration as per the Statute/Ordinance of the Higher Educational Institution concerned; provided, however, the total period for completion of a Ph.D. program should not exceed eight (8) years from the date of admission in the Ph.D. program. Provided further that, female Ph.D. scholars and Persons with Disabilities (having more than 40% disability) may be allowed an additional relaxation of two (2) years; however, the total period for completion of a Ph.D. program in such cases should not exceed ten (10) years from the date of admission in the Ph.D. program.
- Female Ph.D. Scholars may be provided Maternity Leave/Child Care Leave for up to 240 days in the entire duration of the Ph.D. program.

ATTENDANCE

- A minimum attendance of 75% must be maintained after registration for a minimum duration of 3 years including course work as per UGC guidelines.
- Scholars conducting research under a MoU with an external organization must have their attendance certified by the co-supervisor from the partnering organization regularly. Such scholars must also report to their University supervisor at DPSRU once a month for attendance verification.

FEE STRUCTURE

S. No.	PH.D. FEES	AMOUNT
1.	At the time of Admission/Pre-Ph.D. enrolment	Rs. 33,550/-
2.	From the date of Ph.D. registration annual academic fees	Rs. 50,000/- per year
3.	DSRC fees	Rs. 5,000/- each DSRC
4.	At the time of thesis submission (Examination section)	Rs. 10,000/-

Ph.D. Admission Schedule 2026-2027

Commencement of Admission Process (online form filling starts)	01.06.2026
Last date of receipt of (online application form)	30.06.2026
Date of Entrance test	24.07.2026
Date of Interview for both A. For candidates who have qualified NET/GATE/GPAT/SLET, from the UGC/CSIR/DBT/DST/ASRB or ICGEB/SERB/DRDO/INMAS or any other statutory body of the Government B. Candidates qualifying Entrance test	11.08.2026
Declaration of Result	28.08.2026

- Total PhD seat intake for the academic session 2026-27 = 12 seats.

*The number of seats may vary at the time of admission as per the number of seats available with supervisor.

Note: A separate information and notification will be published for the admission in PhD for the academic session 2026-27.

RESEARCH AGENDA: OVERVIEW

DPSR University envisions a comprehensive, interdisciplinary research framework that integrates Pharmaceutical Sciences, Physiotherapy, and Management to tackle pressing health issues. This overview emphasizes translational research, technological innovation, and sustainable practices to enhance human health and well-being, particularly in the context of non-communicable diseases, rehabilitation, and health systems.

THEMATIC RESEARCH AREAS & OBJECTIVES

1. Pharmaceutical Sciences

Develop novel, safe, and effective pharmacological interventions for chronic and complex diseases through innovation in drug discovery, delivery, and sustainable pharmaceutical sciences.

Objectives:

A. Develop preventive and therapeutic strategies for:

- Metabolic disorders and their secondary complications (e.g., cardiovascular disease, neuropathy, nephropathy)
- NAFLD / MASLD through metabolic modulation and hepatoprotective agents
- Cancers, targeting pathways in breast, liver, lung, and colorectal cancers

B. Investigate and design advanced drug delivery systems for:

- Oral, transdermal, injectable, and targeted delivery mechanisms
- Enhancing bioavailability, controlled release, and site-specific drug action
- Optimization of Pharmacokinetics and Pharmacodynamics in disease-specific models

C. Explore natural product-based drug discovery:

- Phytomolecules and phyto-pharmaceuticals as leads for therapeutic development
- Utilization of green chemistry in drug synthesis to minimize toxicity and environmental impact

D. Examine genomic, proteomic, Lipidomic and microbiome approaches to develop precision medicine

- Genetic profiling to predict drug response and adverse effects
- Tailored therapies for precision medicine in metabolic and oncological conditions

2. Physiotherapy

Promote recovery, functional independence, and performance optimization through evidence-based, technology-driven rehabilitation strategies.

Objectives:

- A. Investigate the impact of exercise and dietary interventions on gut microbiota:
 - Influence of exercise regimens and macronutrient intake on microbiome diversity
 - Correlation with immune function, inflammation, and recovery in athletes
- B. Develop AI-assisted diagnostic and rehabilitation tools:
 - Machine learning models for early detection of sports injuries
 - Sensor-based and mobile health tools for real-time physiotherapy guidance
- C. Evaluate physiotherapy interventions in different populations:
 - Impact of physiotherapy on neurological, musculoskeletal, and cardiopulmonary disorders
 - Custom protocols for geriatric, paediatric, and chronic care populations
- D. Study integrative physiotherapy models:
 - Incorporation of yoga, mindfulness, and breathing exercises in rehabilitation programs
 - Psychophysiological benefits in stress-related and chronic pain disorders

3. Management (Pharma Management & Public Health)

Strengthen health systems, empower communities, and promote health equity through applied research in public health and environmental health.

Objectives:

- A. Conduct socioeconomic and environmental health assessments:
 - Health impact of urbanization, air and water pollution, climate change, and occupational hazards
 - Health disparities across income groups, gender, and geography
- B. Design community-based health and environmental awareness programs:
 - Campaigns for hygiene, nutrition, vaccination, and lifestyle diseases
 - School and workplace-based awareness modules
- C. Evaluate the effectiveness of public health interventions:
 - Use of digital tools to assess health behavior change and outcomes
 - Implementation and assessment of community empowerment strategies
- D. Promote One Health initiatives:
 - Integration of human, animal, and environmental health
 - Prevention strategies for zoonotic and vector-borne diseases
- E. Applying decision science models in healthcare
 - Optimizing resource allocation using decision science models
 - Clinical decision support systems
 - Health economic evaluations
 - Supply chain management in pharmaceutical industry
 - Regulatory Affairs and policy analysis
 - Pharmaceutical market analysis

RESEARCH HYPOTHESES

Although not exhaustive, the research directions are guided by the following broad hypotheses:

Pharmaceutical Sciences

- Novel phytochemical and green chemistry-derived formulations provide effective, affordable, and low-toxicity treatments for NAFLD, cancer, cardiometabolic diseases, neurodegenerative disorders, wounds, and pain.
- Advanced drug delivery systems will significantly improve patient outcomes by enhancing bioavailability, targeting efficiency, and compliance.

Physiotherapy

- Tailored exercise and nutrition programs positively modulate gut microbiota, improving athletic recovery, inflammation, and immune regulation.
- AI-based physiotherapy tools will outperform traditional rehabilitation approaches in terms of speed, accuracy, and personalized care.

Management (Pharma Management & Public Health)

- Community-based, environmentally conscious public health interventions will result in measurable improvements in disease awareness, prevention behavior, and local health outcomes.
- Addressing socioeconomic and environmental determinants of health will lead to sustainable health equity and system resilience.

KEY RESEARCH ASSAYS

Analytical Techniques

- Method Development and Validation: API and formulation analysis using UV spectrophotometry, HPLC, GC-MS, and LC-MS.

- Chromatographic Techniques: Column chromatography, UPLC, HPTLC, UFLC, and LC-MS-based metabolomics.
- Impurity Profiling: Comprehensive analysis of APIs and pharmaceutical formulations for impurities.

Computational Studies

- In-Silico Modelling: ADMET profiling, network pharmacology, molecular docking, and molecular dynamics simulations.

Pharmacognosy and Natural Product Research

- Standardization and Characterization: Analysis of crude drugs and herbal extracts.
- Phytopharmaceutical Research: Isolation and characterization of phytomolecules using classical techniques.
- TLC Autobiography: Detection of bioactive compounds through TLC-based bioautographic methods.

Preclinical Pharmacological Studies

- Evaluation of pharmacological activities such as: Anti-inflammatory, Anti-anxiety, Anti-ulcer efficacy in preclinical models

Bioanalytical Techniques

- Bioactive Characterization: Utilizing GC-MS and LC-MS for compound profiling
- Metabolomics: Profiling using LC-MS/MS and GC-MS
- Proteomics and Transcriptomics
- Mitochondrial Function Studies

Formulation and Development

- Preformulation studies
- In vitro formulation characterization studies (for conventional solid dosage forms and novel drug delivery systems)
- In situ characterization assay (qualitative and quantitative)
- In vivo Bio imaging assay (qualitative and quantitative)

Nanotechnology and Drug Delivery

- Nanoformulations: Development of amorphous dosage forms, nanofibers, exosomes, buccal films, and silica nanoparticles.
- Targeted Therapeutics: Research on antibody-drug conjugates and siRNA delivery systems.

Disease-Focused Research Ongoing research and assays in:

- Metabolic syndrome-associated cardiovascular disorders
- Parkinson's disease
- Cancer
- Malaria
- Inflammatory bowel disease (IBD)
- Central nervous system (CNS) disorders

Analytical and Bioanalytical Method Development

- Freeze-Drying (Lyophilization) Cycle Development
- Pharmacokinetic Studies: Drug absorption, distribution, metabolism, and elimination (ADME) profiling.

Microbiome and Genomics Research

- Metagenomics: 16S rRNA gene sequencing and microbiome profiling.
- Whole Genome Sequencing: Identification of antimicrobial resistance (AMR) and virulence genes.

Biomarker and Gene Expression Studies

- Cytokine/Biomarker Quantification: ELISA and multiplex bead-based assays.
- Gene and Protein Expression: Western blotting, immunohistochemistry, and qRT-PCR.

AMR Research

- AMR Gene Detection: PCR-based methods for AMR gene identification.
- Antibiotic Susceptibility Testing: MIC determination and biofilm formation assays.

Histopathology and Tissue Analysis

- Liver Tissue Studies: Histological scoring in non-alcoholic fatty liver disease (NAFLD/MASLD) models.

KEY DELIVERABLES

Pharmaceutical Sciences

- Development of Novel Drug Formulations and Patentable Innovations
- Advanced Drug Delivery Systems with Enhanced Bioavailability
- Curated Databases of Phyto-Pharmaceutical Compounds
- Comprehensive Research Publications and Preclinical Trial Data
- Target Identification and Validation
- Use of omics technologies (genomics, proteomics, metabolomics) for novel target discovery
- Integration of systems biology and bioinformatics for disease-pathway mapping
- Mechanism-Based Drug Screening

Management (Pharma Management & Public Health)

- Environmental health impact reports
- Community empowerment toolkits
- Policy briefs and behavior change models
- Educational materials and mHealth apps.

Physiotherapy

- AI-enabled injury diagnosis tools
- Microbiota-exercise interaction studies
- Clinical guidelines for rehabilitation
- Protocols for integrative physiotherapy

EXPANSION AREAS

To position DPSR University as a leader in interdisciplinary health research, the following additional areas may be integrated:

Nutraceuticals and Functional Food Innovation

- Development of health-promoting foods for NCD prevention
- Clinical validation of dietary supplements

Translational and Implementation Research

- Bridging the gap between lab discoveries and real-world application
- Pilots and scale-up models for public health programs

Strategic Impact

- Strengthening interdisciplinary collaboration across departments
- Advancing India's contributions to global health research
- Promoting innovation and entrepreneurship through patentable and marketable products
- Enhancing community health and capacity building in underserved populations

RESEARCH FACILITIES @DPSR UNIVERSITY

DPSR University envisions a comprehensive, interdisciplinary research framework that integrates **Pharmaceutical Sciences**, **Physiotherapy**, and **Management** to tackle pressing health issues. This overview emphasizes translational research, technological innovation, and sustainable practices to enhance human health and well-being, particularly in the context of non-communicable diseases, rehabilitation, and health systems.

1CENTRE FOR PRECISION MEDICINE AND PHARMACY

<ul style="list-style-type: none"> • Next generation sequencer • Real time-PCR • PCR • Electrophoresis (horizontal and vertical) 	<ul style="list-style-type: none"> • Refrigerated centrifuge • Fluorescence microscope • Gel doc • Biosafety cabinet • Biochemistry analysers 	<ul style="list-style-type: none"> • -80 and -20 deep freezer • pH meter • Autoclave • Hot plate

8. MANAGEMENT (PHARMA MANAGEMENT & PUBLIC HEALTH)

OUR RESEARCH CAPABILITIES & EXPERTISE

DPSRU houses a strong team of faculty researchers across multiple disciplines with notable global recognition:

- More than 2408+ Research Publications in high-impact journals with 180498+ cumulative citations (Scopus) and 45 h-index (WoS), advancing knowledge across pharmaceutical sciences and allied fields.
- Over 70+ Patents filed and granted, showcasing cutting-edge innovations in drug delivery systems, nanomedicine, and herbal formulations.
- More than 50+ Sponsored Research Projects funded by DST, DBT, ICMR, SERB, DSIR, AYUSH and pharmaceutical industries, driving real-world applications of our research.
- DPSRU's Innovation & Incubation Foundation (DIIF) has nurtured 33 Startups, promoting indigenous technology development.
- Nine faculty members listed among the world's top 2% scientists (Stanford University).

Visit of Students to National Drug Testing Laboratory

GUIDELINES FOR THE ADMISSION

HOW TO APPLY

- Application submission is ONLINE and no offline application form will be available at the University. Candidates shall visit <https://dpsru.edu.in> and apply online to the University for Admission.
- The admission counselling process will be OFFLINE and the students should report at the University Auditorium as per the admission schedule/website. The student should come with all the necessary documents and certificates in original on the day of admission, and need to pay full fee of first Semester of his/her course in online mode on the same day.

Application Fee:

Candidate shall pay one time Registration Fee of Rs. 1100/- (non-refundable) at the time of registration on the Online Admission Portal and can apply for any one Programme / course as per his/her eligibility. Candidate may apply for additional/more/ more than one courses/programs (Diploma/UG/PG), subject to their eligibility as separate application must be submitted for each course/program, and will pay an additional fee of Rs. 200/- per additional course/program. The fee is payable through Net Banking, Debit Card, Credit Card, UPI, or other available modes on the University Admission Portal.

It is also the sole responsibility of the candidate to ascertain and make sure that he/she possesses the requisite eligibility and qualifications prescribed for admission in various Courses/programs. The candidates are advised that before initiating Online Registration for participation in Offline Counseling for admission or allotment of seat, he/she MUST go through the prescribed Eligibility conditions and Admission criteria as laid down in this Admission prospectus for 2026-27.

DEGREES	COURSES/PROGRAMS
Diploma Courses	D. Pharm., DMLT
UG Courses	B. Pharm., B. Pharm. (Lateral Entry), B. Pharm. (Ayurveda), BPT, BMLS, BBA (Health Care), B.Sc. (Hons.) Biomedical Science, B.Sc. (Hons.) Sports Science
PG Courses	All M. Pharm. Courses, All MBA Courses (PM, HHM, ITM), MPH, All MPT Courses (Cardio-Pulmonary Sciences, Pediatrics and Neonatal Sciences, Sports Sciences), M.Sc. (AI in Medicine), M.Sc. Clinical Research, M.Sc. Sports Nutrition,

No printout of the form will be required to be sent to the University.

The acknowledgement slip generated online as a proof of payment while submitting the online application form MUST be retained/saved by the candidate for future reference. The candidates are advised that he/she should retain a printout of the application form after completion of Online Registration Process as proof of having completed the process of Online Registration.

Last Date for applying for Diploma, UG and PG courses is mentioned in "Calendar of Admission".

Separate application forms for D. Pharm., B. Pharm., BPT, B. Pharm. (Ayu.), DMLT, BMLS, BBA (Healthcare), B.Sc. (Hons.) Biomedical Science, B.Sc. (Hons.) Sports Science, M. Pharm., MBA-PM, MBA-ITM, MBA-HHM and MPH, MPT M.Sc. Clinical Research, M.Sc. Sports Nutrition and Medicine courses/program will be submitted online with scanned copies of Mark Sheets, Proof of Date of Birth, Category Certificate and GPAT/CUET Score Card (wherever applicable), if any.

Incomplete application forms without supporting documents will not be accepted. At the time of admission/document verification, all the original certificates and undertakings shall be brought/submitted, failing which admission will NOT be given. No request/relaxation will be entertained in this regard. Application forms with Annexures given in the prospectus (Annexure I to XII) as per the requirements of the course/program need to be submitted at the time of counseling.

In respect of M. Pharm. and lateral entry students of B. Pharm., there is a mandatory requirement to submit an undertaking for Pharmacist Registration Certificate within one month of admission in respective courses as per the Annexure-IV.

Admission will be made strictly according to the merit as per prescribed criteria. The consolidated merit list including general and reserved candidates shall be displayed on the notice board/website on the date indicated for each separate Courses/Programs.

DOCUMENTS REQUIRED FOR ADMISSION

Following documents are required (photocopy and original, as applicable) during admission process for uploading on the admission portal and during verification process on notified date and time.

1. List of original testimonials required at the time of seeking admission (B. Pharm. / BPT / D. Pharm. / B. Pharm. (Ayu.) / BBA Healthcare / BMLS / DMLT / B.Sc. (Hons.) Biomedical Science / B.Sc. (Hons.) Sports Science are as under:

- a) 10th Marksheet / Date of birth certificate
- b) Marks statement of 10+2 / Intermediate / 12th class
- c) Migration certificate
- d) Provisional Certificate from the school last attended
- e) Proof of gap period, if any, after passing the 12th class
- f) Character Certificate from the school last attended
- g) Medical Certificate from a medical practitioner holding a degree not below MBBS (Annexure I)
- h) Two passport size photographs (unattested, coloured)
- I) Acknowledgement slip
- j) Caste Certificate
- k) Non-creamy Layer Certificate for OBC candidate, issued on or after 1st April 2026 from competent authority from Delhi only (in case of Delhi candidates) (Annexure-VI)
- l) Any other Certificate in respect of the claim made by the candidate
- m) A copy of Aadhar Card
- n) Anti-Ragging Undertaking (Annexure-IX), Anti-Drug Certificate (Annexure-X) & Mental Health Undertaking (Annexure-XI)

2. List of original testimonials required at the time of seeking admission (M. Pharm / MBA-PM / MBA-ITM / are as under:

- a) 10th Marksheet / Date of birth certificate
- b) Marks statement of B. Pharm / B. Pharm. (Ayu.) / Marks sheets of respective courses mentioned in eligibility criteria under "admission requirements"
- c) Migration Certificate
- d) Provisional Certificate from the College / Institute / University last attended
- e) Proof of gap period, if any
- f) Character Certificate from the college / institute / University last attended
- g) Medical Certificate from a medical practitioner holding a degree not below MBBS (Annexure I)
- h) Two passport size photographs (unattested, coloured)
- i) Acknowledgement slip
- j) Caste Certificate
- k) Non-creamy layer certificate for OBC candidate, issued after 1st April 2026 from competent authority from Delhi only (in case of Delhi candidates) (Annexure-VI)
- l) Any other Certificate in respect of the claim made by the candidate
- m) A copy of Aadhar Card
- n) CUET / GPAT score card indicating cut off for that year, if applicable
- o) Registration with state pharmacy or proof of the application sent, if applicable
- p) Anti-Ragging Undertaking (Annexure-IX), Anti-Drug Certificate (Annexure-X) & Mental Health Undertaking (Annexure-XI)

3. List of original testimonials required at the time of seeking admission (MBA-HHM / MPH / MPT / M. Sc. in Artificial Intelligence in Medicine / M.Sc. Clinical Research / M. Sc. Sports Nutrition are as under:

- a) 10th Marksheet / Date of birth certificate
- b) Marks statement of concerned graduation course i.e. B. Pharm. / B. Pharm. (Ayu.) / MBBS / BDS / BHMS / BUMS / BAMS / BPT / B.Sc. / B.E. / B.Tech. / B.V.Sc. / B.Sc. Nursing and any other equivalent science graduation course

ADMISSION PROCEDURE

(OFFLINE)

- The candidates will be called one by one during counseling process as per the merit list for admission for the courses.
- In cases of candidates having equal marks, the candidate who is older in age will be given preference.
- If the seat offered is acceptable, the documents will be verified with originals and all relevant submissions.
- The Fee has to be paid at the time of seat allotment in respective course. Provisional admission is complete only when the fee is paid and the roll number is allotted.
- No separate intimation regarding the admission selections will be given and all the candidates are advised to see the notice board and website for display of merit list on the dates mentioned in the prospectus elsewhere. The seats are filled strictly in order of merit.
- In case of any candidate/ student seeking registration/admission on wrong information regarding age, subject and percentage of marks etc. his/her registration/admission can be cancelled at any time when it comes to the notice of the University.
- All admissions will be made strictly in order of merit on provisional basis.
- If there is any discrepancy in the name in any of the certificate, the same should be clarified by an affidavit brought at the time of admission. No relaxation for time in this regard will be entertained.
- The reservation of the candidate cannot be changed once submitted in the application form. If the candidate fails to produce original supporting category certificates issued from competent authority at the time of admission, he/she will forfeit his/her claim to the seat. No representation will be entertained in this respect.

Future Fest:- Placement Drive at DPSRU, 2026

SCHOLARSHIPS

Scholarships available at DPSRU

DPSRU is a State University of Govt. of NCT of Delhi (GNCTD) and DIPSAR is a constituent Institute of DPSRU. DPSRU students are provided with scholarships from GNCTD through e-district portal, Central Govt. through National Scholarship Portal (NSP) and from AICTE and other Govt. funding agencies like UGC, ICMR, DST-INSPIRE, DST, DBT, CSIR, NFST etc.

Procedure: Eligible students have to apply through online as per the procedure and timeline mentioned in the advertisement from the agency. Students should submit the request letter to the Scholarship In-charge DPSRU/DIPSAR with the copy of the application and other necessary documents along with bank details copy. Application will be verified from DPSRU/DIPSAR through funding agency e-portal, if any discrepancy is there, students will be informed to rectify it and re upload the necessary documents. Funding Agency will disburse the scholarship to the students through Direct Benefit Transfer (DBT).

GNCTD scholarships available to DPSRU students

1. Merit Scholarship for SC/ST/OBC Students, GNCTD

GNCTD provides maintenance allowance and other benefits to complete their higher studies to the students who belong to the underprivileged class. The applicants must be the domiciles of Delhi and belong to SC/ST/OBC category; must be pursuing UG/PG courses and have scored at least 60% marks in the previous academic exam; annual family income must not exceed INR 3 Lakh (in case of OBC).

For further details visit official website i.e., www.scstwelfare.delhigovt.nic.in.

2. Post Matric Scholarship scheme for SC

Department for the Welfare of SC/ST/OBC/Min implements centrally sponsored scholarship to the student belonging to SC category whose parents/ guardian's income from all sources does not exceed Rs. 2.5 Lakh per annum. The scholarship includes maintenance allowance, reimbursement of non-refundable fee, etc.

Pharmacy seats to J&K and Ladakh students at DIPSAR under DPSRU and offers Rs. 1,00,000/- as Maintenance allowance and academic fee will be paid by AICTE.

ANRF linked Scholarships

Delhi Pharmaceutical Sciences and Research University is a spoke institute and an active participant in the Partnerships for Accelerated Innovation and Research (PAIR) programme of the Anusandhan National Research Foundation (ANRF), hosting ANRF PAIR grant project, ANRF fellow training, and project positions. This initiative is designed to strengthen the research and innovation ecosystem within the university, with a particular emphasis on advancing pharmaceutical sciences. As a selected State Public University under the PAIR programme, DPSRU benefits from structured mentorship, institutional support, and collaborative opportunities aimed at fostering high-quality research. The University aligns closely with ANRF's vision of nurturing emerging researchers, encouraging interdisciplinary engagement, and promoting impactful scientific inquiry. Under this framework, students are provided with access to scholarships, research fellowships, and project-based learning opportunities. These initiatives are intended to enhance academic exposure and build competencies in research conceptualization, proposal development, scientific ethics, and the application of innovative methodologies in contemporary biomedical and pharmaceutical research. DPSRU also invites Expression of Interests (EOI) for the prestigious ANRF backed Prime Minister Professorship.

Other private scholarships available to DPSRU students

1. IPA – Ramanbhai Patel Scholarship:

Indian Pharmaceutical Association (IPA) has instituted the scholarship in the name of Late Sri Ramanbhai Patel for meritorious, deserving and financially needy B. Pharm. students who enrolled in B. Pharm. course at the University. Selected students receive Rs. 25,000/- in the first year and continue to receive Rs. 25,000/- each year till the completion of B. Pharm. as per guidelines of scholarship.

Students of DPSRU at Scholarship Disbursement Program Under Delhi Higher & Technical Education Support Scheme

Economically Weaker Sections (EWSs) Categor

In accordance with the provisions of the Constitution (One Hundred and Third Amendment) Act 2019, and with reference to (as per letter no. F.DHE.1(119)/Estt./2018-19/2549-76 dated 17.06.2020 in terms of OM No. F. No. 12-4/2020-U1 dated 17.01.2020) OM No. 20013/01/2018-BC-II dated 17th January, 2019 of Ministry of Social Justice and Empowerment, enabling the provision of reservation for the economically weaker sections (EWSs) who are not covered under the existing scheme of reservation for the Scheduled Castes, the Scheduled Tribes and the Socially and Educationally Backward Classes in Admission. Reservation shall be extended to EWSs category candidates in all programmes of study. Guidelines issued by Government of India from time to time regarding criteria for Income & Assets, issuing authority/ verification of certificate shall be followed by the University for implementing EWS reservation.

Quantum of Reservation: The persons belonging to EWS who are not covered under the scheme of reservation for SC's, ST's and OBCs shall get 10% reservation of approved intake in admission to various programmes of study.

Criteria of Income & Assets: Persons who are not covered under the existing scheme of reservations for the Scheduled Castes, the Scheduled Tribes and the Socially and Educationally Backward Classes and whose family has gross annual income below Rs. 8.00 lakh (Rupees eight lakh only) are to be identified as EWSs for the benefit of reservation. Family for this purpose will include the person who seeks benefit of reservation, his/her parents and siblings below the age of 18 years also, his/her spouse and children below the age of 18 years. The income shall include income from all sources i.e. salary, agriculture, business, profession etc. and it will be income for the financial year prior to the year of application, also persons whose family owns or possesses any of the following assets shall be excluded from being identified as EWSs, irrespective of the family income:

- I. 5 acres of Agricultural Land and above;
- II. Residential flat of 1000 sq. ft. and above;
- III. Residential plot of 100 sq. yards and above in notified municipalities;
- IV. Residential plot of 210 sq. yards and above in areas other than the notified municipalities.

Income and Asset Certificate Issuing Authority: The income and assets of the families as mention in 'Criteria of Income & Assets' would be required to be certified by an officer not below the rank of Tehsildar in the States/UTs in the prescribed formats given in Annexure-V.

Admissions of students to various courses in academic session 2026-27 in view of the OBC reservations

The reservation of seats for OBC candidates, if any, will be implemented in accordance with the reservation policy of the Delhi Government. In accordance with the above, the following procedure for admission of the OBC candidates to all the courses will be followed. It is reiterated that the OBC candidates under Delhi Category who belong to the 'Non-Creamy Layer' and whose castes appear in the Delhi List of the OBCs only shall be eligible to be considered for admission under the Delhi-OBC Category on producing certificate from appropriate authority only. The unfilled OBC seats available are to be converted to general category.

1. In accordance with the Cabinet decision No.1869 dated 27/2/12, the percentage of reservation for OBC students will be 27% in the academic year 2026-2027.

2. The OBC candidates shall be given a relaxation in the minimum eligibility in the qualifying examination to the extent of 5% of the minimum eligibility marks prescribed for the General Category Candidates.
3. All those OBC candidates who meet the minimum eligibility marks in the qualifying examination shall be eligible for admission in the order of their merit, keeping in view the availability of seats reserved for them.
4. If the seats reserved for the OBC category remain vacant after final counselling, the said seats shall be filled with the OBC students in the order of merit by OBC Non Creamy candidates possessing the minimum eligibility criteria, the vacant OBC seats still remaining shall be filled with General Category in accordance with the admission schedule notified by the University.
5. The candidates to this category have to provide Non Creamy layer certificate issued on or after 01st April, 2026 at the time of admission, if it is not uploaded at the time of application.
6. OBC reservations for Non-Delhi candidates is as per reservation policy of Govt. of India.

FEE STRUCTURE

EXAMINATION FEE

- Regular exam fee: Rs. 4000/- (Semester or annual as applicable)
- Back log paper examination: Rs. 500/- per paper (To be paid for end-semester examinations as and when announced).
- The fees and other charges mentioned in the prospectus may be revised by the University at any time without notice. In the event of such revision, all the enrolled students shall pay at the revised rates.

HOSTEL FEE

Admission to any course in the University does not guarantee for admission to the hostel. Non-Delhi candidates must make own arrangements till hostel admission, if available, is given.

- For D. Pharm. / B. Pharm. / BPT / other UG courses
 1. Security: Rs. 5000/-
 2. Room Rent: Rs. 10000/- per year
- For M. Pharm. / MPH / MBA / Ph.D. and all other PG courses
 1. Security: Rs. 5000/-
 2. Room Rent: Rs. 11000/- per year
- Mess Charges: Mess shall be compulsory and the charges will be Rs. 20,000/- per Semester (Non-refundable).

Note : Students with semester back shall not be allowed to occupy the hostel.

Refund of Fees after joining the course

No fee (except caution money) shall be refunded after the candidate has joined the course or within one month of taking admission or whichever is later. The refund of fees paid at the time of admission or during the course is governed by UGC norms. Any claim for refund of Caution fee should be made within three years of completion of course along with original receipt; else the fee will be forfeited and returned to Government Account.

Payment of Dues

All dues shall be cleared by the dates mentioned in the prospectus or as notified by the DPSRU authority from time to time.

Financial Assistance

There are certain schemes/scholarships available to needy students. The detailed rules and regulations on the subject may be obtained from the office of the University. The financial assistance, available to students of full-time courses, in accordance with relevant rules, are as follows:

Fee Concessions

- Scholarship Holders: Students holding specific scholarships shall be exempted from payment of Tuition Fee, on application.
- Sister / brother Concession: In case two or more brothers/sisters are admitted in the University, the brother/sister studying in the lower class shall pay half the prescribed Tuition fee.
- No Tuition fee shall be charged from son or daughter of employees of Training and Technical Education, Government of Delhi.
- SC / ST students: Students belonging to the Scheduled Castes / Tribes shall be exempted from payment of tuition fee.

Late Fee Fine

- If the dues (other than those payable at the time of admission) are not paid by the due date, late payment fine of rupees one hundred for each day after the due date (including holidays) shall be realized, subject to a maximum of Rs. 3000/- only.
- If the fee is not paid within thirty days after the due date (including holidays) for any reason whatsoever, the name of the defaulter student shall be struck off the rolls of the University without any notice.

Payments of Fines and Dues

- Students shall pay on demand any fine imposed on them or the cost of any damage to or loss of library books, equipment, hostel or other property of the University.
- On failure to do so the same will be recovered from the caution money which shall be reimbursed by the student within the time specified by the University. If the cost of any damage to be recovered or loss exceeds the amount of caution money, the balance shall be deposited by the student on demand by the University. Failure to do so may result in removal of the name from the rolls of the University.

- The students shall clear all dues to the University before they are permitted to appear in the annual/end-semester examination. If the dues are not cleared, their admit card/provisional certificates will be with held.

Striking off Rolls

The name of the student may be struck off the rolls on account of:

- I. His own written request, endorsed by his parent/guardian;
- II. Irregular attendance and poor progress in studies;
- III. If ordered to be EXPELLED or RUSTICATED on account of indiscipline by the competent authority of the University;
- IV. Non-payment of tuition fee and other dues for 30 days after the last date of payment. The concerned University authorities, however, may grant not more than 30 days of grace period to deserving cases on application by the parent/guardian.

FEE REFUND POLICY & PROCEDURE

If the candidate cancels his/her admission, he/she can apply for refund of fee before the last round of regular counselling of admission for current session i.e., 2026–27. The fee will be refunded after deduction of Rs. 1000/-. No claim will be considered after the start of the classes. The complete process for refund will be processed through the student admission portal.

The student may apply by submitting an application for cancellation and may request for refund of the fee. The following documents must be enclosed with the application to initiate the process of refund:

- I. Attested photocopy of photo ID proof (Aadhaar card / driving licence / PAN card / voter card / ration card)
- II. Original fee paid receipt
- III. Original Admission Slip (OAS)
- IV. Bank passbook front sheet and cheque leaf (cancelled) of the bank to which transfer of money is to be done

DPSRU 8th Convocation, 2026

Visit of students to Colorcon Asia Pvt. Ltd.

DISCIPLINE

All the students admitted to the Institute/University will be under the complete disciplinary control of the Registrar of the University/Director of the Institute or any other officer (s) appointed by him for the purpose and must conduct themselves in accordance with the disciplinary rules of the University as framed and notified.

ELIGIBILITY FOR APPEARING IN THE SEMESTER / ANNUAL EXAMINATION

Only students securing 80% attendance or above in both theory and practical classes taken separately are allowed to appear in the semester/annual examination.

ANTI-RAGGING POLICY

- In accordance with the order of the Hon'ble Supreme Court dated 10.12.2007, in the Special Leave to Appeal (Civil) Nos. 24295 and 24296-99 of 2004, if any incident of ragging comes to the notice of the authority, the concerned student shall be given liberty to explain and if his explanation is not found satisfactory, the authority would expel him from the institution. There is Zero Tolerance towards any unethical activity.
- The candidates seeking admission have to give an undertaking that they will abide by the rules and regulations prescribed and abide by an action taken in this regard against students by the Vice-Chancellor.
- Ragging in any form is strictly prohibited within the premises of University as well as on public transport.
- Ragging, for the purpose of the Ordinance, means any act, conduct or practice by which dominant power or status of senior students is brought to bear on students freshly enrolled or students who are in any way considered junior or inferior by other students and includes individual or collective acts or practices which:
 - I. involves physical assault or threat or use of physical force;
 - II. violate the status, dignity and honor of women students;
 - III. violate the status, dignity and honor of students belonging to the scheduled castes and tribes;
 - IV. exposes students to ridicule and contempt and affect their self-esteem;
 - V. entrains verbal aggression, indecent gestures and obscene behaviour.
- **In pursuance of UGC DO letter No. F.1-15/2009 (ARC) Pt.III dated 14th December, 2023, it is compulsory for each student and every parent to submit an online undertaking every academic year at www.antiragging.in. After registration, the candidates will receive an email with his/her registration number and can forward that email to the Nodal Officer in the University/College at the time of reporting in the USs/Affiliated Institutes/Colleges. It is again reiterated that it is compulsory/mandatory for each student to submit an online undertaking at www.antiragging.in. (Annexure X).**

ANTI-SMOKING POLICY

- In accordance with the order of the Hon'ble High Court of Delhi and in continuation of the University letter No. HC-4170/2010 LC/256/4689 dated 29th April, 2011, the University is a Smoke Free Zone.

ANTI-ALCOHOL POLICY

- University has a strict Anti-Alcohol Policy. Violators face suspension and strict action as recommended by the constituted committee. There are awareness posters and strict vigilance in hostels and the entire institute including guest house. University also conduct awareness program routinely.

PLACEMENT 2025-26

The 2025-26 placement season at DPSR University has been a milestone year, strengthening our partnerships with top industry leaders and creating impactful career opportunities for our students. Renowned organizations such as **FOPE, Cipla, Akums, MyGen Pharma, Remedio, Qbik Healthcare, Apollo Hospitals, Unichem Laboratories, Alkem Laboratories, Max Smart, Niquva Lifesciences** and many more have extended job offers, reaffirming their confidence in DPSRU's skilled graduates.

At DPSRU, we believe in holistic development. Our students receive comprehensive training through career counselling, industrial visits, recruitment preparation, and entrepreneurial skill-building programs. These initiatives help them transition seamlessly into the professional world with confidence and expertise.

Students secured promising roles across **Regulatory Affairs, Quality Assurance, Quality Check, Management Trainee, Market Research, Sales, Business Development, Sales Strategy & Field Ops, Supply Chain, R&D, Formulation, Clinical Research, FWG Specialist, Medical Writing, IPR, Key Account Trainee, Product Trainee, Product Executive, Lab Auditor & Junior Analyst, Product Portfolio Mgmt, Digital Marketing, E-commerce.**

The placement drive saw organizations offering average salaries ranging from **Rs. 5.5 to Rs.14 LPA** for Bachelor's and Master's students. With an ever-growing recruiter network, DPSRU remains committed to fostering industry collaboration. We welcome companies to partner with us in shaping the next generation of healthcare and life sciences professionals.
