

# Corona Virus Awareness Program

**DPSRU, New Delhi 1<sup>st</sup> February'2020** : With the aim of creating awareness about the deadly Novel Coronavirus, Delhi Pharmaceutical Sciences & Research University (DPSRU), organized a SPECIAL n-CORONA VIRUS AWARENESS CAMPAIGN. The day saw the Post Graduate students of Public Health (MPH), Hospital Management (MHM) and Pharmaceutical Management (MBA) of School of Allied Health Sciences, DPSRU enthusiastically joining hands to fight against the terror of n-Corona Virus (nCoV) under the able guidance of the Hon'ble Vice chancellor Dr. (Prof.) Ramesh K. Goyal. The ultimate aim was to spread awareness among the students about n-Corona Virus and its symptoms, precautions, protection, modes of transmission and preventive measures.

Students of Masters in Public Health (MPH) presented poster and distributed pamphlets advocating the message- **'We can win against n-Corona Virus'**. Students disseminated information to the public to spread awareness. The entire program was actively volunteered by Masters in Public Health students Debraj Mukhopadhyay, Vibhor Dudhraj, CV Sreekiran, Abul Faisal, Ashpak, Prerna Sharma, Nishat Akhtar, Aiman Mairaj .The program was coordinated by Dr. Jaseela Majeed, Associate Professor ,DPSRU.

Corona is a large group of viruses, which can infect both humans and animals with cold related diseases. The intensity of the infection ranges from common cold to acute respiratory. Coronaviruses originate in animals — like camels, civets and bats.

### Common Human Coronavirus Symptoms
